For Children in Kindergarten through Fifth Grade

About Children in Action

CiA (members are known as “agents”) is a fun filled missions organization for boys and girls in kindergarten through fifth grade that helps children develop spiritually towards a missional lifestyle. Children Learn...

- **A biblical worldview that encompasses the globe**
- **Ways to demonstrate the love of Christ to others**
- **How God is working around the world**
- **That they are a part of God’s plan**

During the CiA weekly meetings (Sundays at 6:00 PM), children get involved with hands-on missions learning experiences through games, crafts, drama, activity pages, art, Bible learning activities, prayer, and more.

Children learn about and pray for a different missionary kid each week, and learn about the work of missionaries from a child’s perspective.

The Children in Action Pledge

“As a member of Children in Action,
I will pray for missions,
Give to missions,
Learn about missions,
And do missions through the power of
Christ.”

Children in Action (CiA) is the missions organization for boys and girls in kindergarten through fifth grades. The weekly curriculum is written in such a way that all six grades can work together. As the ministry grows, smaller groups can be formed within age groupings.

The Children in Action motto: states...

“Send Me!” (Isaiah 6:8)

**Are you willing to help children
respond to the call?**

Director: TBA

**Sunday Evenings Beginning July 17
6PM**

For your comfort and assurance, each of our volunteer workers have passed a thorough criminal and social background check. We are always open to anyone who would like to offer comments or suggestions.

For your convenience, please use the enrollment form on the reverse to enroll your children in CiA.
